Cleaning Services

> We tailor cleaning programs to the site and its operating hours, with one-time projects and recurring contracts.

CORE DELIVERABLES & SCOPE OF SERVICE

Service Component	Scope & Execution Details
Daily & Scheduled Cleaning	Routine site cleaning aligned with your facility's operating hours, complete with dedicated staffing and on-site supervision as agreed.
Deep & Pre-Opening Cleaning	Intensive sanitization, high-detail detailing, and pre-opening cleaning to ensure immaculate launch readiness.
Post-Construction & Post-Renovation	Specialized debris removal, fine-dust extraction, and surface restoration following construction or fit-out works.
Specialized Surface & Area Care	Dedicated maintenance for floors, interior/exterior glass, washrooms, and high-traffic common areas.
Materials & Consumables Supply	Full supply and replenishment of professional cleaning materials, chemicals, and washroom consumables as agreed.

ENGAGEMENT & OPERATIONAL FRAMEWORK

Target Sectors	Corporate Offices, Hospitality Venues, Retail Spaces, Residential & Industrial Sites
Engagement Models	Recurring Service Contracts (Daily/Weekly) & One-Time Specialized Projects
Key Outcomes	Consistent hygiene standards, supervised execution, flexible off-peak scheduling, and zero supply downtime
